

REPORT.

WESTERN SHORE TREASURY,
Annapolis, 10th Feb. 1837.

*To the Honorable
the House of Delegates.*

The Treasurer of the Western Shore submits the accompanying Statements, numbered 1, 2 and 3, which have been prepared in obedience to their order of the 25th of January last.

No. 1 shews the payments made since 1812, to the Colleges, Academies and Schools in this State—the dates of those payments—their amount annually, and their total amount. And he reports them to have been made out of the common means of the Treasury, and not out of any particular fund or branch of the public revenue.

No. 2 shews the payments made since 1812, to the Trustees of the University of Maryland in Baltimore—the time thereof, and their total amount. And these he reports were made out of the annual receipts from State Lotteries not otherwise appropriated.

No. 3 shews the payments made, and when, and the credits in the Treasury, to the several Counties and the City of Baltimore, for the establishment and support of Free Schools therein—the amount to each, and their aggregate. And of these he reports that \$100,498 80 were made up of the receipts from the United States for interest on the State's advances during the last war, and the receipts from their investment, and that the residue was received from the banks in the State incorporated by its authority, for the annual tax of 20 cents in the \$100 of their respective capitals paid in, in pursuance of ch. 122 of the acts of Dec. ses. 1813, and the continuing act of 1821, ch. 131, and from the investment of portions of those receipts.

And he has the honor to be,

Most respectfully,

Their obedient servant,

GEORGE MACKUBIN,

Treas. W. Shore, Md.
